Ed,  
I think your draft letter to Valero looks fine. Good job! I don't have further comments.  
Scott

Hi David,  
I'm attaching a draft letter addressed to Parker Wilson, in-house counsel for Valero, that provides a brief summary memorializing the information they provided at our March 8, 2017, meeting. I'm also copying Mark, Scott and Ellen for any additional insight they may have. Please let me know what you think.  
In the meantime, I'll begin to work on a similar draft letter to Ergon.  
Thanks,  
Ed Q.
